

Allergy and Anaphylaxis Prevention Declaration

Students with severe food allergies attend the school. These allergies are LIFE THREATENING. We request that you do not send nut-based or nut products with your child to school.

The North Shore Polish School in North Ryde is a nut free school.

I have read and agreed to the terms outlined in the Allergy and Anaphylaxis Prevention Declaration.

Publication Permission and Consent

We are seeking your permission to allow the school to publish and/or disclose information about your children

for the purposes of sharing his/her experiences with other students, informing school and broader community about school and student activities and recording student participation in noteworthy projects or community service.

This information may include your child's name, age, class and information collected at school such as photographs, sound and visual recordings of your child, your child's work and expressions of opinion such as in interactive media.

The communications in which your child's information may be published or disclosed include but are not limited to:

- School's website,
- School's news, and other associated promotional material.

Parents should be aware that when information is published on public websites, it can be discoverable online for a few years, if not permanently.

If at any time circumstances arise where permission is no longer given, this must be provided in writing to the School Principal.

Please Note: the publication permission is valid for the duration of your child's enrolment at NSPSS. You may withdraw or adjust any of your consents at any time by informing the Principal in writing. If you have any queries or need further clarification regarding the above consents, then please see the Principal.

I give my permission to NSPS to publish my child's information as described above.

I don't give my permission to NSPS to publish my child's information as described above.
