KOCHANI,

This information is for you and your family. It tells you all about the different things that happen at North Shore Polish Saturday School and will help your family with the Kindergarten and primary school enrollment enquiries anytime throughout the year.

DEAR CHILDREN AND PARENTS!

Remember, when you come to NSPSS you will learn the Polish language, history, geography and culture and have lots of fun with your teachers and new friends. We look forward to seeing you soon!

A RRIVING IN THE MORNING.

When you come to school you will wait on the playground with your parent/guardian until 9:00am when the class starts. Your teacher will be in the classroom after the class if your parent/guardian wants to talk to her.

M ORNING SNACK.

At 10:30am, during the 30 minute recess break, you will be able to have a drink and eat your snack. You can bring your snack in a lunch box from home. Please make sure it has your name on it, so you will not lose it.

P HONETICS MOJE SYLABKI

You will have fun mastering vowels, consonants and saying onomatopoeic words, modelling questions and Polish expressions.

For each sound you will learn the shape of the letter and an action to help you remember it. You will learn the 9 Polish vowels first, then you will learn the remaining consonants, recognising all 32 letters and sounds of the Polish alphabet.

R EADING.

When you come to school you will learn to read. At first you will remember the stories just by looking at the pictures. With lots

of practice you will begin to use your Polish phonetics to help you sound out and blend the sounds in the words.

At school you'll hear lots of stories. The loan book library is open every Saturday and is a special place to sit while you are reading Polish books.

There are books about everything - dinosaurs, pirates and trains, fairytales and puppy dogs and lots more to choose from. You will be able to borrow a different book each week to read at home.

We hope you enjoy sharing books with your friends and family and getting to know lots of rhymes. You will read big books with your teacher and after a while you will be able to read a book by yourself too.

S MOK W AWELSKI

LOKOMOTYWA

S IEROTKA M ARYSIA

S INGING and DANCING

To make the day more enjoyable we also do lots of singing and dancing in class.

WHAT WILL YOU DO AT POLISH SATURDAY SCHOOL?

W RITING IS FUN!

At school you will learn how to form Polish letters correctly and how to write sentences. It would be great if you could write your own name just using capital letters.

Don't worry if you can't - you will soon learn. We write while we play all the time - on the whiteboard and on the writing tablets.

When you have been at school for a while you will begin to know, recognise and write the sounds you hear in words. Then you will quickly begin to write sentences too!

You will be able to do lots of other activities too to help with your writing. These include tracing over pictures, drawing patterns, colouring, making models with plasticine, cutting and drawing and after a while you will be able to read a book by yourself too.

M ATHEMATICS.

At school we will do some mathematical activities too, such as counting, measuring, looking at shapes, following directions and using the computer.

CAN

you count your toys?

HOME TIME

You will go home after 12:00 noon. Your Mum, Dad or someone else you know should wait for you. Your teacher will make sure to see your parent or guardian before you can go. Sometimes your parent or guardian may be a few minutes late. Don't worry, you can wait safely with your teacher until they come.

NSPSS welcomes you and your family from Kindy to Year 6 – your Polish language journey has just begun...
